	<p>عنوان خبر</p>	<p>Study highlights the role of genetic factors in COVID-۱۹ thrombosis and inflammation</p>	<p>https://www.news-medical.net/news/۲۰۲۴۱۰۰۳/Study-highlights-the-role-of-genetic-factors-in-COVID-۱۹-thrombosis-and-inflammation.aspx</p>
<p>خلاصه خبر</p>	<p>Despite global vaccination efforts, COVID-۱۹ continues to pose significant risks, leading to severe complications and fatalities. These risks are driven by disrupted coagulation, impaired fibrinolysis, which is the process of breaking blood clots, and heightened inflammatory responses.</p>		
	<p>عنوان خبر</p>	<p>New insights into the link between respiratory infections and chronic lung diseases</p>	<p>https://www.news-medical.net/news/۲۰۲۴۱۰۰۳/New-insights-into-</p>

	خلاصه خبر	<p>A 3D reconstruction of a mouse lung four days after infection with fluorescent Sendai virus reveals widespread virus presence (red) and active replication (green).</p>	the-link-between-respiratory-infections-and-chronic-lung-diseases.aspx
	عنوان خبر	<p>Accelerating tobacco decline could boost global life expectancy</p>	https://www.news-medical.net/news/20241003/Accelerating-tobacco-decline-could-boost-global-life-expectancy.aspx
خلاصه خبر	<p>Accelerating the decline in tobacco smoking globally, by decreasing smoking prevalence from current levels to 5% everywhere, could increase life expectancy and prevent millions of premature deaths by 2050, according to a study from the Global Burden of Disease, Injuries and Risk Factors (GBD) Tobacco Forecasting Collaborators published in The Lancet Public Health journal.</p>		
	عنوان خبر	<p>Ketogenic diet lowers mortality by 24% while maintaining heart health</p>	https://www.news-medical.net/news/20241003/Ketogenic-diet-lowers-mortality-by-24%-while-maintaining-heart-health.aspx
خلاصه خبر	<p>Study confirms that adherence to a ketogenic diet reduces all-cause mortality risk by 24% without increasing cardiovascular mortality in a large US cohort. Findings support KD as a beneficial intervention for long-term health.</p>		

	عنوان خبر	Creating a tobacco-free generation could prevent 1.2 million lung cancer deaths	https://www.news-medical.net/news/20241003/Creating-a-tobacco-free-generation-could-prevent-1.2-million-lung-cancer-deaths.aspx

	عنوان خبر	Researchers develop technology to change protein identity in vivo	https://www.news-medical.net/news/20241003/Researchers-

	<p>خلاصه خبر</p>	<p>Researchers at the RIKEN Cluster for Pioneering Research (CPR) have developed technology that can alter, within the body, the recognized identity of proteins. The innovation, published in Nature Communications on October ٢, allowed researchers to target mouse tumors with a protein and then transport that protein out of the body.</p>	<p>develop-technology-to-change-protein-identity-in-vivo.aspx</p>
	<p>عنوان خبر</p>	<p>Primary care settings failing to address women's hot flashes</p>	<p>https://www.news-medical.net/news/٢٠٢٤١٠٠٣/Primary-care-settings-failing-to-address-womens-hot-flashes.aspx</p>
<p>خلاصه خبر</p>	<p>Timely identification and treatment of bothersome hot flashes have the potential to improve the lives of many women and save employers countless days of related absenteeism and lost work productivity. Yet, a new study finds that such symptoms are often not documented in electronic health records (EHRs) or not adequately addressed during primary care visits.</p>		
<p>عنوان خبر</p>	<p>Temporary feeding tube management research earns top prize</p>		

خلاصه
خبر

A PhD candidate whose research aims to address the challenges faced by families of children with temporary feeding tubes has won The University of Queensland's ۲۰۲۴ Three Minute Thesis (۳MT) final.
